

## Quick Installation Guide

1. Make sure you are connected to a reliable wireless network, e.g., GSU (not GSU-Guest).  
iPad Wi-Fi Setup: Settings > Wi-Fi. If GSU-Guest chosen Click on the selection and chose Forget This Network. Click back arrow. Choose GSU and enter Campus ID and password. Click Trust.
2. Open MAGTEK apps. If not installed, install from App Store or enter **MagneFlex Business** in the search or URL:  
<https://itunes.apple.com/us/app/magneflex/id1169053188?mt=8>
3. Admin → Set Reader(s)

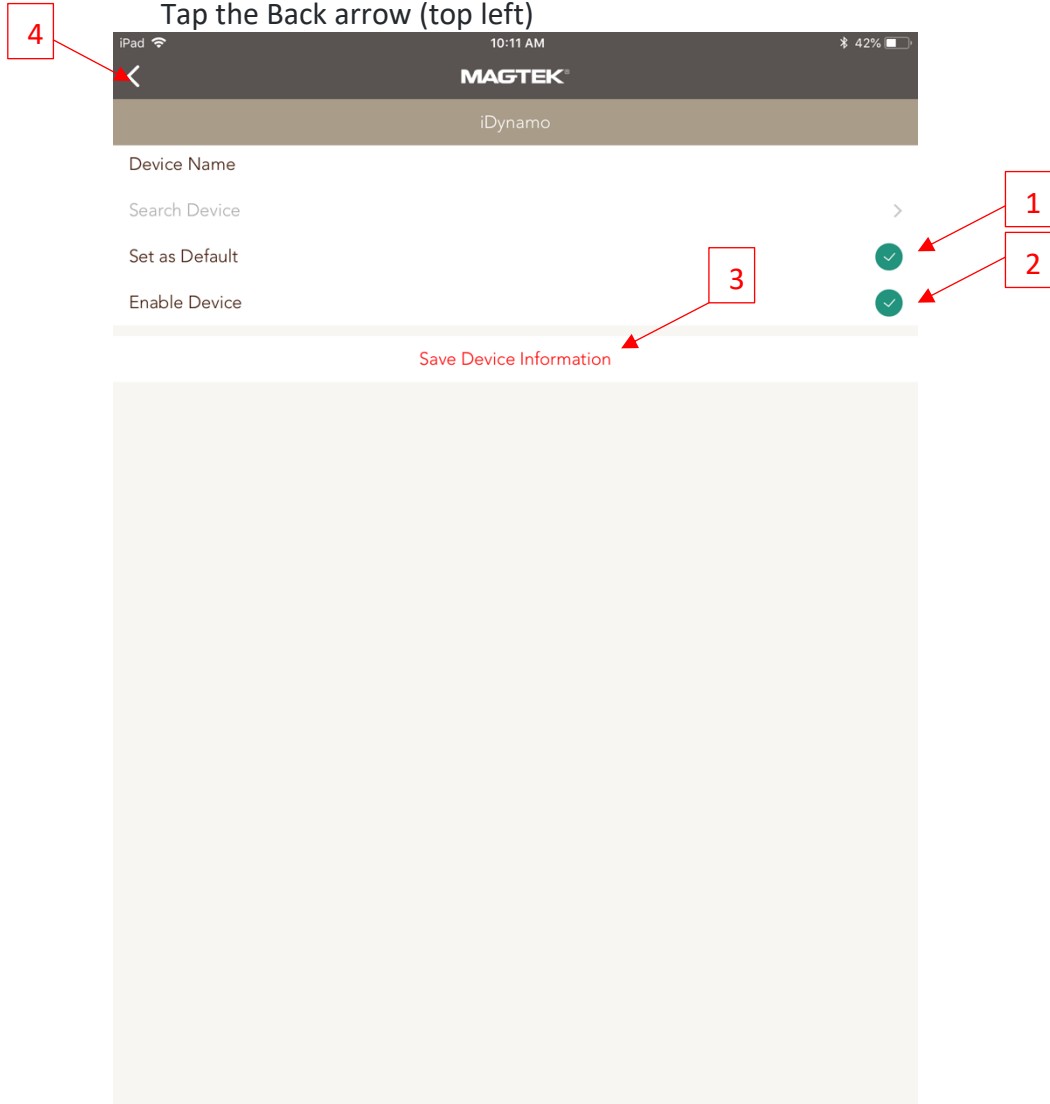

4. First, select to activate check mark for Physical Connection

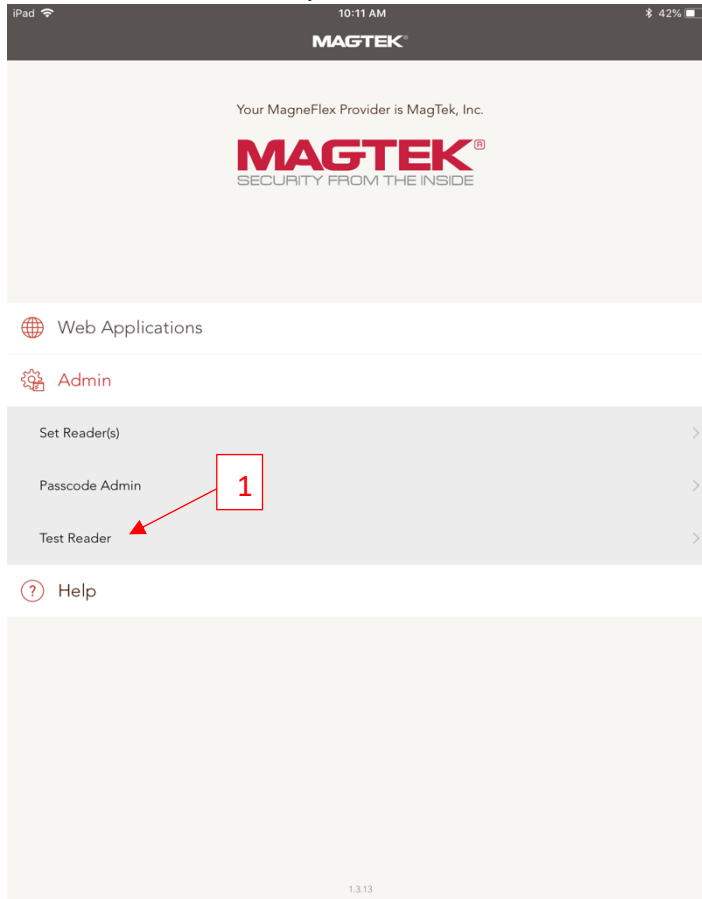

Then, select iDynamo ( iDynamo is for iPad, Audio for Android)

5. Tap "Set as Default"  
Tap "Enable Device"  
Tap "Save Device Information"  
Tap the Back arrow (top left)

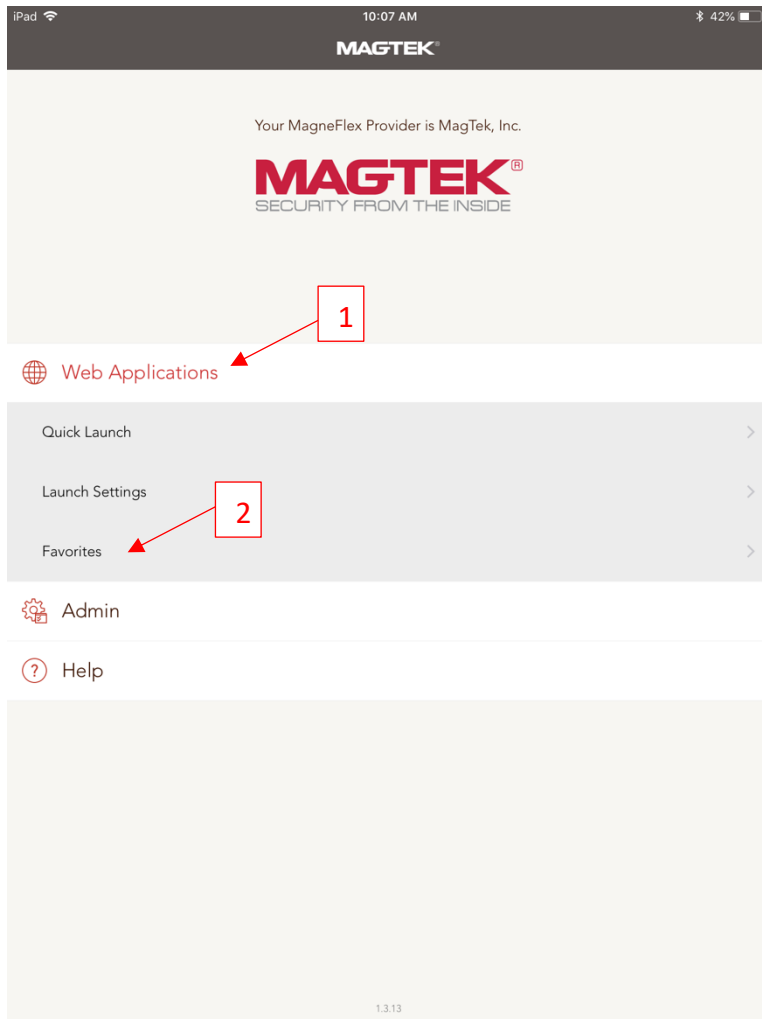

6. Now, we need to Test the Reader. From the home page > Admin. Choose Test Reader. The screen will wait for your swipe. Swipe your card. You should see a string of numbers that includes your Panther number.

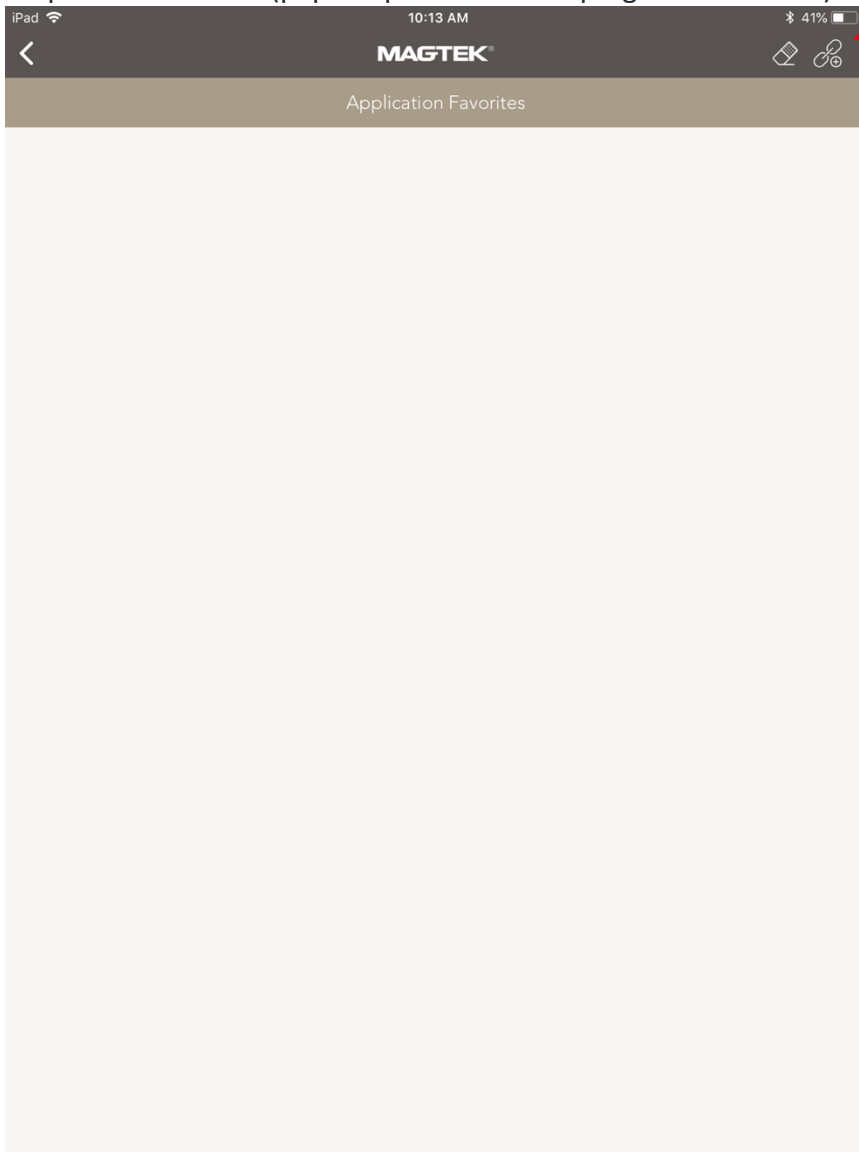

7. After, finished setting reader, go back to main Magtek page by clicking back arrow top left corner.
8. Tap “Web Applications”

Click Favorites

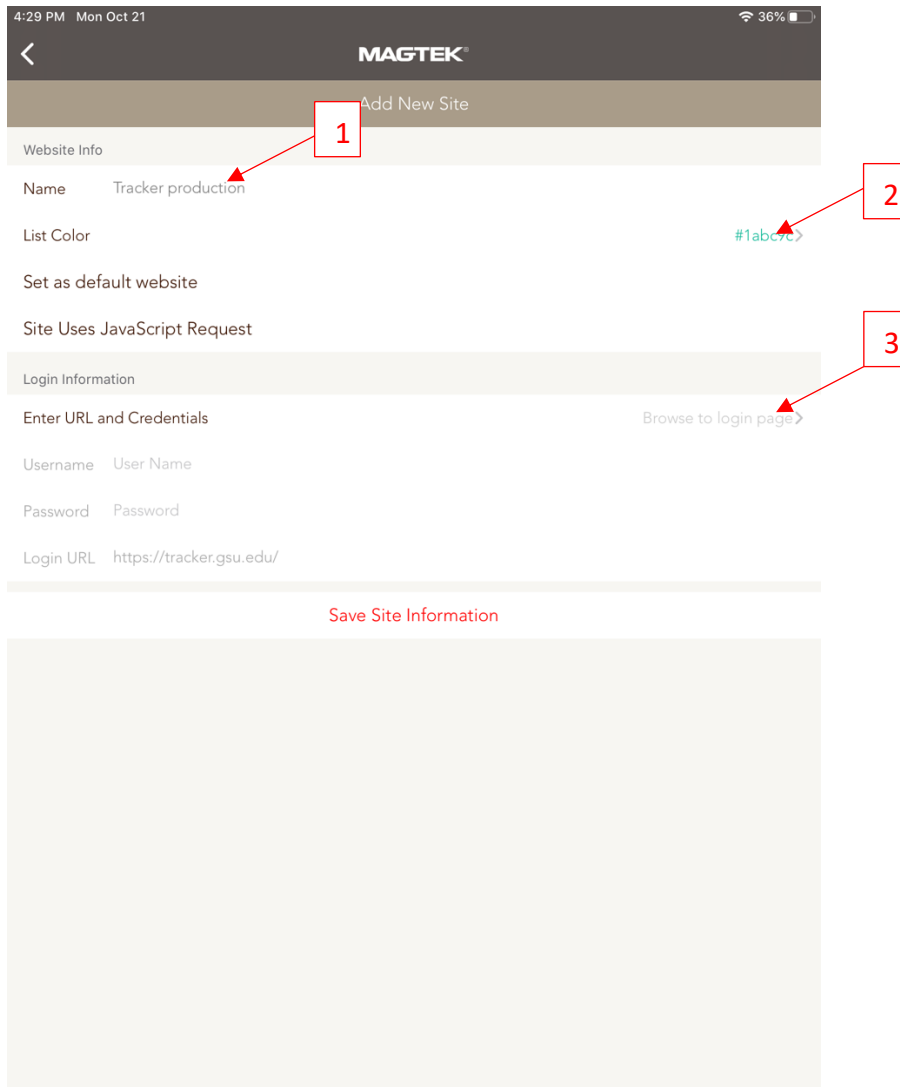

9. Tap the “Link icon” (paperclip icon in the top rightmost corner)

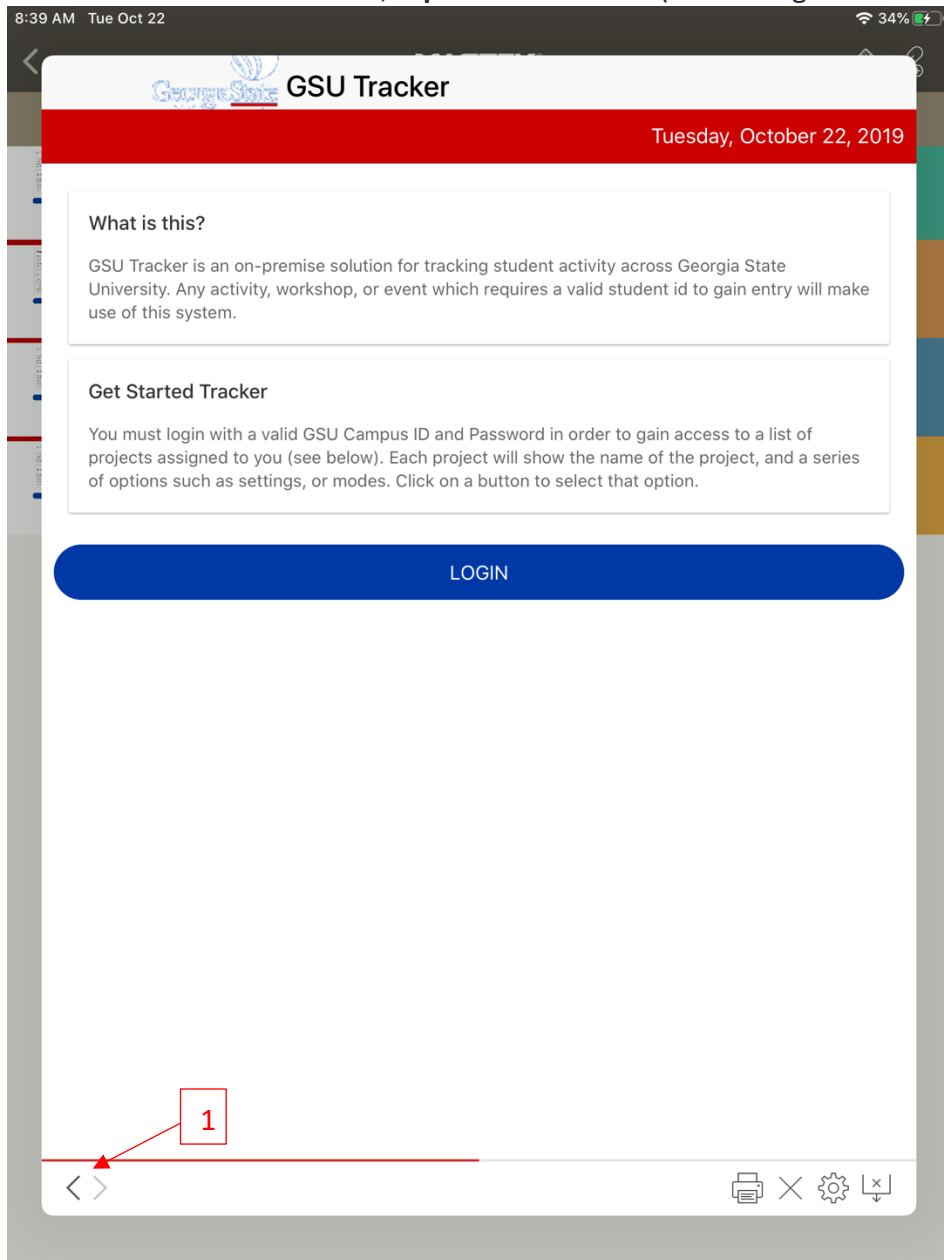

1

10. Input "Name" - Tracker
11. Set "List Color"
12. Navigate down to "Enter URL and Credentials"
13. In the URL field, **type** https://tracker.gsu.edu and then **tap the forward arrow icon – far right (Wait for the page to load and it leads you showing GSU Tracker page) Do NOT login.**

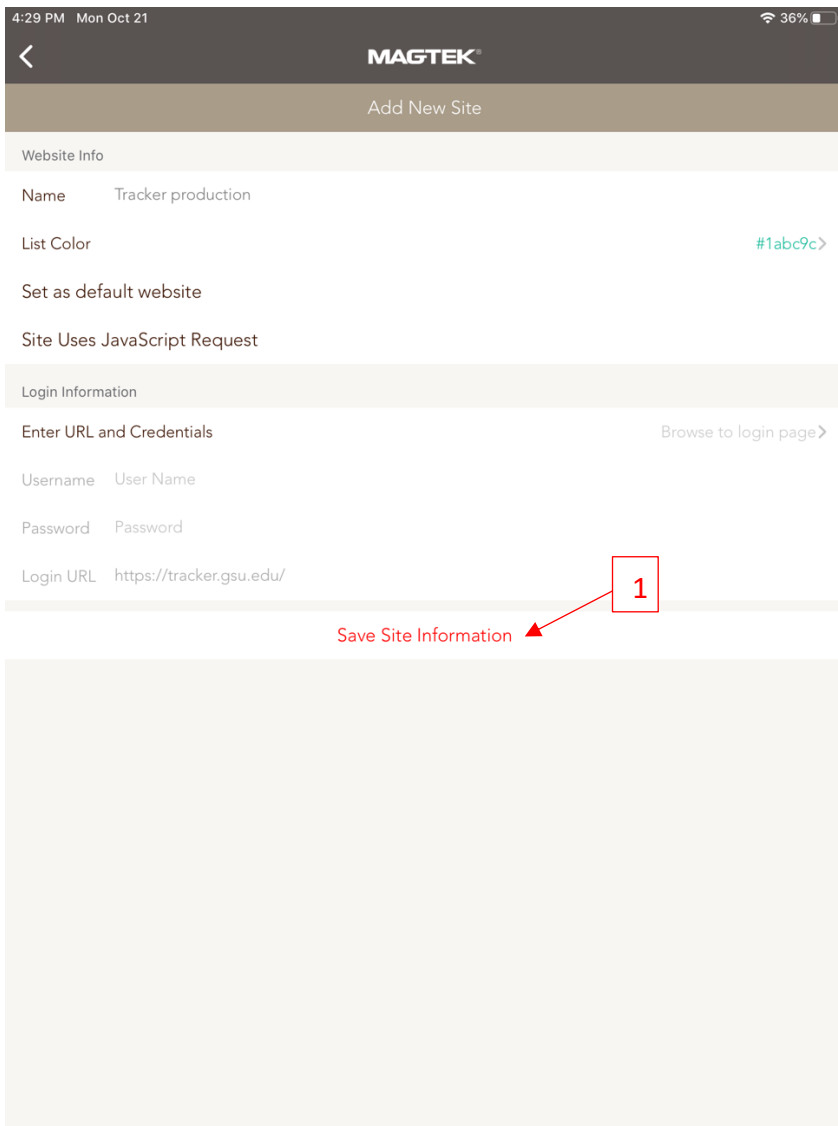

14. At the bottom of the screen, tap the Back Arrow (bottom right to return to the App)

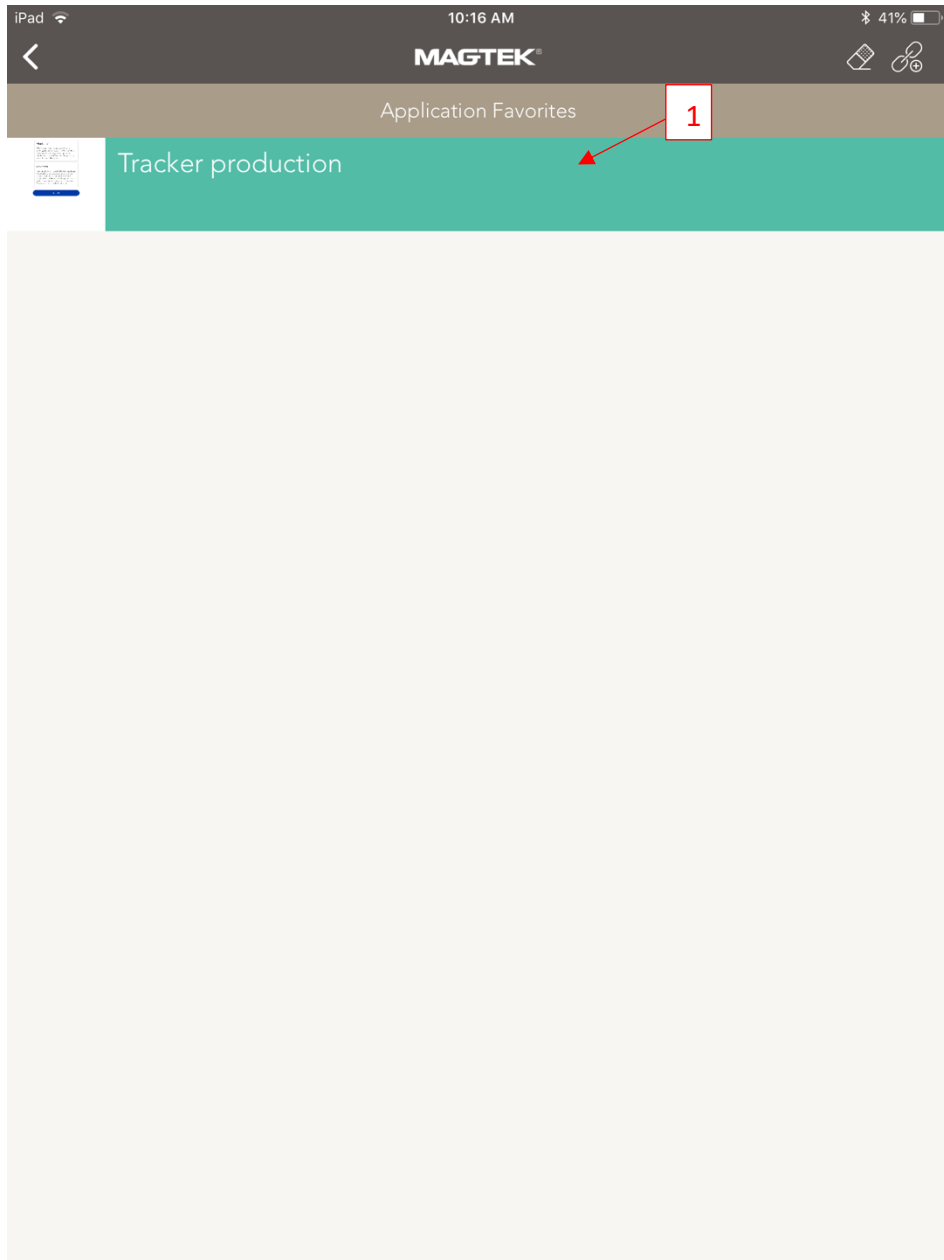

15. Verify there is an entry for the Login URL that was just added

16. Tap **Save Site Information**

17. You can test the apps with the entry you added. Click on the Application entry

18. To remove other applications e.g., QA from the Favorites list: Slide the name to the left, an Edit selection appears. Click Edit, then Delete this Site
